STEPS

What Happens Next?

Once we receive your initial application and decide to proceed with your subject, you will email us your submission. We prefer submissions as Google documents so that editors can easily provide feedback and guidance directly within your draft. You may also send us a plaintext file, a Markdown file, or a link to an HTML document.

1

Submit for Review

We will check your existing content from blogs or social media.

2

Get Approval

We will approve you with enough feedbacks.

3

Deliver Content

Send us your content and collaborate to make it awesome.

Make sure your submission:

- ✔ Is written in English.
- ✔ Is written for an audience of developers, freelancers, startups, tech geeks.
- ✔ Is supported with convincing arguments, not just opinions. Fact-check, and cite sources where appropriate.
- ✔ Is supported by screenshots, reference links where appropriate.
- ✔ Is not published to or copied from another website.

Here's what happens after you send your submission:

- ✔ Our team will review your submission and determine whether it's a potential fit.
- ✔ We will get back to you with notes about your article.
- ✔ Once you've addressed our comments, send your revised draft back.
- ✔ If we accept your article, we will work on publishing it asap on our website.
- ✔ Now you can enjoy your \$100 APILayer credit for any API subscription listed on our marketplace.
